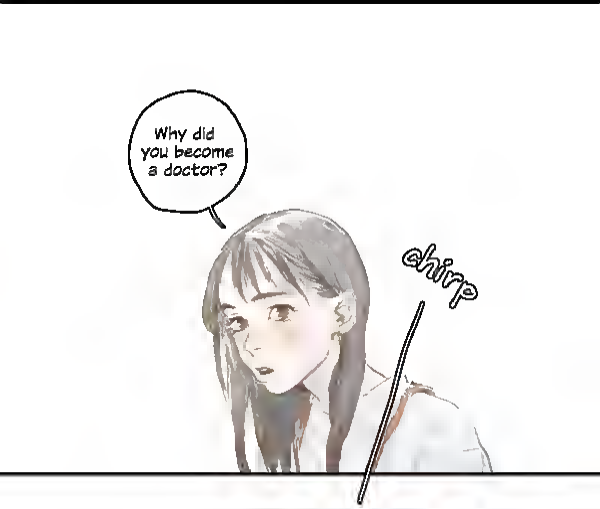
@Jae 五宝



Why did you become a doctor?

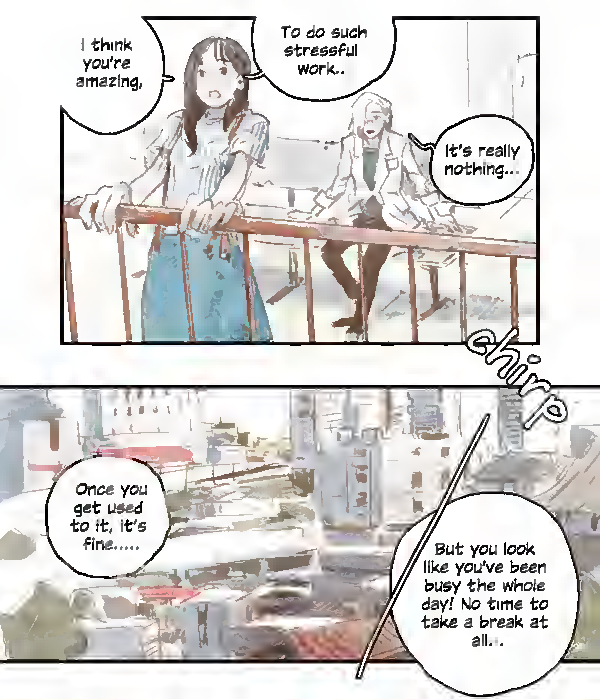
Huh?
Did I hear right...?
That's... That's... because....
Why would she ask me a question like that??



I think you're amazing,
To do such stressful work..
It's really nothing...

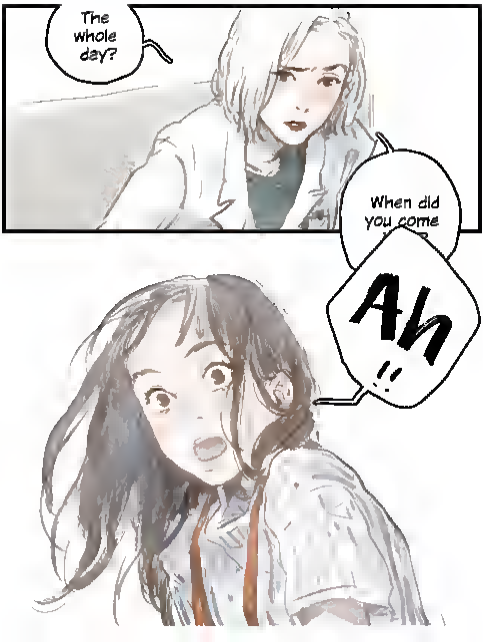
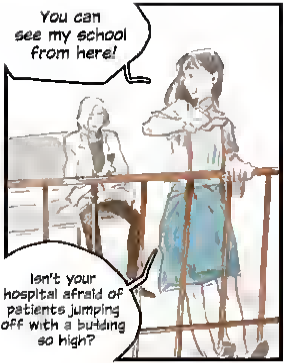
Once you get used to it, it's fine.....
But you look like you've been busy the whole day! No time to take a break at all..



The whole day?
When did you come
Ah !!



You can see my school from here!
Isn't your hospital afraid of patients jumping off with a building so high?

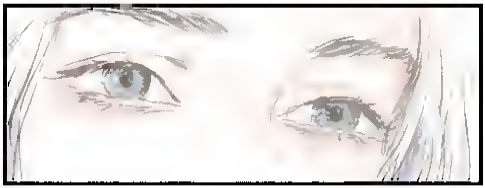
Right



Why did I——
I want to know too——

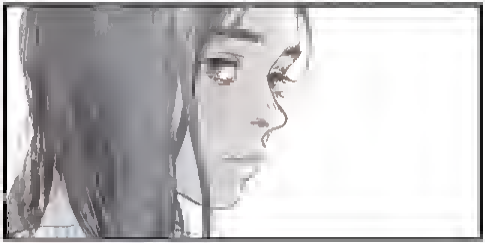
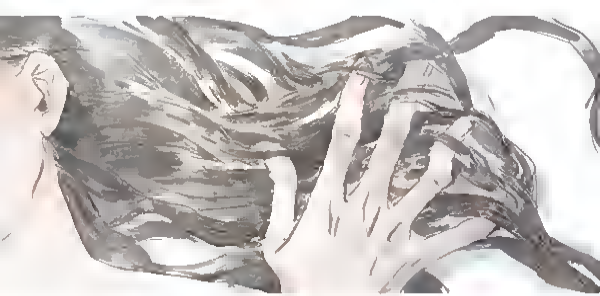
At that time....



Why were you crying ...?



@Jaa-五七

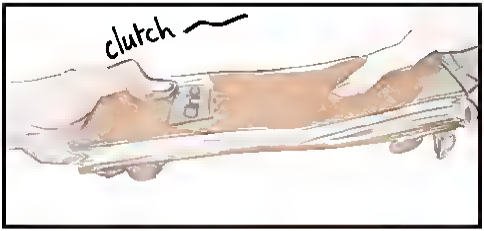
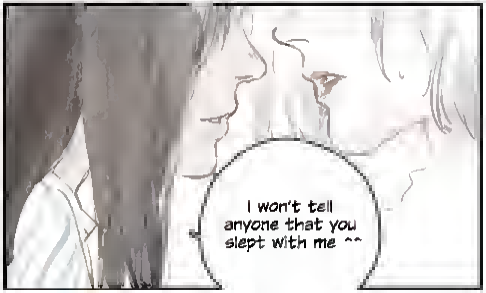
It got mixed in with my books the other day.
Tha-thank you...



@Jue 王宝

Don't worry...



I won't tell anyone that you slept with me ^^
